

# MARIST COLLEGE EASTWOOD

9 August 2024

Dear Parents/Carers

We have a number of Year 10 students who are struggling to find a work experience place for the week of **23-27 September** (hours at employers' discretion), hence we are calling for your help.

Year 10 are a lovely group of mature, hardworking and sensible young men who will be covered by Sydney Catholic Schools insurance.

Areas of interest include: Science Labs, Engineering, Law, Health, IT and Business, or any field you think could be of interest.

If you feel you can help here, please email MCE Careers Adviser directly:  
[colleen.bianchi@syd.catholic.edu.au](mailto:colleen.bianchi@syd.catholic.edu.au).

Thank you for your consideration.

Kind regards

Ms Colleen Bianchi  
**MCE Careers Adviser**
